

## Golf Classic Rules

- 1) Competition will be a 4-person scramble. Teams may form their own foursome, or those entering as an individual will be assigned to a group.
- 2) Please be on the course and ready to begin at least 30 minutes prior to the start time. This year check-in will begin at 8:00am, and the shotgun start will begin at 9:00am.
- 3) Players will have the opportunity to purchase a mulligan string for \$20 upon check-in.
- 4) To facilitate play, carts will be required.
- 5) Each team will play 18 holes. All members of the team will hit from the tees. The team will then select the best drive. From that point, all members of the team will hit a second shot. Again, the team will select the shot providing the most advantageous like. This procedure will continue until the ball is holed out. Only one score per hole per team is to be recorded.
- 6) Women may choose to play from the red tees, men may play from the white tees.
- 7) Scores must be recorded on the team scorecard at the end of the hole. All scorecards must be turned in upon completion of 18 holes.
- 8) A player's lie may be improved by one club length (no closer to the hole) through the green with the exception of hazards. For example, if you elect to play a ball from a sand trap, the player whose ball you have chosen to play must play the ball as it lies and then the other team members will be allowed to place the ball (no closer to the hole). Once players have reached the green, the ball may not be placed to improve a player's lie (must be placed at the spot where it lies).
- 9) Out-of-bounds are marked.
- 10) All putts must be holed out. No gimmies.
- 11) In the event of a tie in score, a hole's number will be drawn at random and the team recording the lowest score on that hole will be declared the winner. In the event the score is still tied, a progression will begin from that hole until the tie is broken. For example, if hole number 6 is drawn and the score is still tied, scores on hole number 7 will be used to break the tie, and so on.
